

# “Bored”-room Buster

Can you please grant me access to the meeting?	It's still loading	<Someone eating and making loud chewing noises>	We only have a few minutes left...Someone brings up a topic that causes the meeting to run over.	Oh we lost so and so! Maybe they will reconnect soon.
Hi! Can you hear me?	You must have something wrong with your camera	<Picture of chin only - no eyes>	I don't think ____ is on the call	I am pouring myself a glass of water. <want people to know you are not going to the bathroom>
<Someone scheduling a job interview while on phone for current job>	I'm sorry, you cut out there.	I'll have to get back to you	(for overtalkers)...Sorry, go ahead.	Think of the door closed as me not being home
How do I share?	<Sirens>	Can you email...that to everyone?	I think there is a lag	Close your eyes if scrolling makes you dizzy?
I have zoom fatigue	Can you see my screen?	I think we lost them	Can we set up a meeting to discuss?	<Hold music playing in the background>
