

# “Bored”-room Buster

I am pouring myself a glass of water. <want people to know you are not going to the bathroom>	Can you please let me finish?	I have to jump to another call	____, Are you there?	<Hold music playing in the background>
Whoa, zoom bomb!	Excuse me! Are you talking to us? <Someone holding a conversation not pertaining to conference call>	Can you see my screen?	Can you please repeat/clarify that? I didn't quite get understand.	Next slide, please
Hi! Who just joined?	Person 1: I can barely hear you. Person 2: How is this? How about now? Person 1: Much better.	<Phone ringing in the background>	Oh we lost so and so! Maybe they will reconnect soon.	<flushing>
<Someone typing - possibly with a hammer - speed typer or forceful key strokes>	<Picture of chin only - no eyes>	I am busy <kids or spouse walk in and just start talking to you>	How do I share?	I'm sorry, I was on mute.
You still there? <You can hear them but they can't hear you> Panick ensues you send IMs and text message and chats	I can't share. Can you make me host?	I love you! I love you! I love you! <or some other form of affection> <child or pet comes in begging for attention so you give it to them>	I had the door closed for a reason	<Someone eating and making loud chewing noises>
